

DATA SHEET M1 PRO

PRODUCT DESCRIPTION

If you are looking for a jet helmet that perfectly combines quality, safety and functionality with a modern design - look no further. Following zeitgeisty stylish design lines of the past, the SCHUBERTH M1 PRO is the right helmet for anyone who wants to accentuate their ride. The inner liner utilizes an entirely new fabric ensuring even more comfort and the redesigned top vent contributes to the helmet's unique style. Thanks to the included trim/visor/peak, The M1 PRO offers more than just one configuration and caters to your individual needs.

- A seamless interior liner ensures high-end comfort while also allowing the inside of the helmet to breathe
- Versatile: the M1 PRO trim/visor/peak is already included and the helmet can be run with or without visor
- Communicative: pre-installed hardware for the snap-in communication systems SC1M and SRC M1

COLORS AND GRAPHICS

- 3 solid colors
- 4 graphics

RECOMMENDED RETAIL PRICE

- Solid colors \$499
- Graphics \$599

HELMET SIZES

XS (53) – S (55) – M (57) – L (59) – XL (61) – XXL (63)

WEIGHT

Starting at 3.31 lbs. (incl. speakers and microphone)

HELMET SHELL

- Low weight meets excellent protection– glass fiber combined with a special resin is compressed in a vacuum at high pressure to form an exceptionally sturdy yet uniquely light helmet shell
- Carefully crafted in our proprietary wind tunnel, aerodynamically optimized for high speed stability without buffeting

INNER SHELL

- Multipath channels in the EPS liner allow for an excellent ventilation throughout the helmet
- The complex segmentation of our specially optimized EPS foam liner ensures optimal shock absorption to keep your head protected

FEATURES

- High-quality interior with seamless head pad – perfect fit and outstanding wearing comfort
- Removable and washable inner lining; allergen-free and anti-bacterial (Oeko-Tex 100 certified)
- Face shield with first class optics provide visibility without any distortion
- Reflective elements make riding even safer
- Anti-fog ready face shield
- Integrated flip-down sun visor
- 2 helmet shell sizes for optimal fit with excellent protection
- Pre-installed speakers, microphones and antennae to complement the SCHUBERTH communication systems SC1M and SRC M1
