

DATA SHEET C3 PRO WOMEN

PRODUCT DESCRIPTION

The inner lining of the C3 PRO WOMEN is specially designed for women: It is not only optimized for smaller head shapes, but also takes into account the particular female face shape. The C3 PRO WOMEN provides extra cushioning in the cheek area and the ideal shape offers higher wear comfort for women and therefore improves safety. The high-quality material combination creates an antibacterial and anti-allergen coating. The ruby-red interior emphasizes the feminine shape.

- A helmet that sets the benchmark: uniquely small, extraordinarily light-weight, and outstandingly quiet; carefully crafted in our proprietary wind tunnel for cutting-edge aerodynamics and aeroacoustics
- Flip-up meets sport helmet: brilliantly aerodynamic properties make you feel pre-eminently safe at all speeds
- Stay in touch: the C3 PRO is prepared to accept the SCHUBERTH SRC communication system

COLOURS

2 solid colours

RECOMMENDED RETAIL PRICE

499,- €

HELMET SIZES

XXS (51) - XS (53) – S (55) – M (57) – L (59)

WEIGHT

Starting at 1,570 g

HELMET SHELL

- Light weight meets excellent protection– directly processed glass fiber (DFP technology) combined with a special resin is compressed in a vacuum at high pressure to form an exceptionally sturdy yet uniquely light helmet shell
- Carefully crafted in our proprietary wind tunnel, aerodynamically optimized for high speed stability without buffeting

INNER SHELL

- Multipath channels in the EPS liner allow for excellent ventilation throughout the helmet
- The complex segmentation of our specially optimized EPS foam liner ensures optimal shock absorption to keep your head protected

FEATURES

- Completely removable and washable inner lining; allergen-free and anti-bacterial (Oeko-Tex 100 certified)
- Coolmax® fabric turns the interior of your helmet into a highly effective moisture removal and cooling system
- FM and Bluetooth antennas integrated into the helmet for optimum reception
- Face shield with first class optics provide visibility without any distortion
- Easy Change visor mechanism for a quick and simple face shield change without the use of tools
- Preinstalled anti-fog lens prevents shield from fogging
- Integrated flip down sun visor
- 2 helmet shell sizes allow for optimal fit with excellent protection
- Anti-Roll-Off System (A.R.O.S.) to ensure that helmet is kept in place
- Reflective elements make riding even safer
